Sir:

Terminal Disclaimer
Under 37 CFR 1.321(b)

Your Petitioner, EMC Corporation, a Massachusetts corporation, having its principal place of business at 176 South Street, Hopkinton, MA 01748-9103, states that it is the assignee, by assignment dated 9/29/1999, recorded on 09/29/1999 at Reel/Frame 010292/0388, of the entire right, title and interest in and to the patent application identified above.

Your Petitioner hereby disclaims, except as provided below, the terminal part of the statutory period of any patent granted on the application identified above that would extend beyond expiration of the full statutory term of any patent granted on pending patent application serial no. 09/408,807 filed 9/29/1999, also assigned to EMC Corporation, as indicated in an Assignment recorded at Reel/Frame 010282/0524.

Your Petitioner hereby agrees that any patent so granted on the application serial no. 09/408,429 identified above shall be enforceable only for and during such period that the legal

title to said patent shall be the same as the legal title to any patent granted on on patent application serial no. 09/408,807. This agreement is to run with any patent granted on the application serial no. 09/408,429 identified above and is to be binding upon the grantee, its successor or assigns.

Your Petitioner does not disclaim any terminal part of the statutory period of any patent granted on the application serial no. 09/408,429 identified above prior to the expiration of any patent granted on application serial no. 09/408,807, in the event that any patent granted on said application serial no. 09/408,807 expires earlier for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or in part, has all claims canceled by reexamination, is subject of a reissue, or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

The undersigned, whose title is supplied below, is empowered to act and authorized to execute this document on behalf of the owner.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully submitted,

EMC Corporation
